

Coaches and volunteers needed immediately!

Interested parents and adults are needed to coach during our 2009 season. We provide coaches with appropriate training, and support. This is a great opportunity for you to positively influence these young athletes.

If you've never coached before, you may be in for a surprise. Making a difference in a child's life, being a role model, and teaching sport skills and fundamentals can be highly rewarding. Receiving smiles and thanks from your kids and seeing them return to the sport the next season are good measures of YOUR success.

Help us make a difference!
