

TOWN OF WEST YELLOWSTONE

For the last couple of weeks, the Town of West Yellowstone has been working with Federal, State, and Local governmental agencies on the COVID-19 issue.

Representatives of the Town, including Chief Shane Grube, Chief Scott Newell, CHP, and the Town Manager have been attending conference calls at least twice weekly on this subject. We recognize the social stress associated with this situation (in addition to stress caused by the economic impact) and are grateful for the patience of the Town's businesses and citizens.

Below is a list of websites to consult on a daily basis to get the latest updates on the situation here in Gallatin County, as well as at the State and Federal levels. These are the agencies that will be making the decisions that will affect the Town's response to this situation.
