Policy No. 16 (Abbreviated)
Policy on Public Hearings and Conduct at Public Meetings

Public Hearing/Public Meeting

- A public hearing is a formal opportunity for citizens to give their views to the Town Council for consideration in its decision-making process on a specific issue. At a minimum, a public hearing shall provide for submission of both oral and written testimony for and against the action or matter at issue.

Oral Communication

- It is the Council's goal that citizens resolve their complaints about service or regarding employees' performance at the staff level. However, it is recognized that citizens may from time to time believe it is necessary to speak to Town Council on matters of concern. Accordingly, the Town Council expects any citizen to speak in a civil manner, with due respect for the decorum of the meeting, and with due respect for all persons attending.
- No member of the public shall be heard until recognized by the presiding officer.
- Public comments related to non-agenda items will only be heard during the Public Comment portion of the meeting unless the issue is a Public Hearing. Public comments specifically related to an agenda item will be heard immediately prior to the Council taking up the item for deliberation.
- Speakers must state their name for the record.
- Any citizen requesting to speak shall limit him or herself to matters of fact regarding the issue of concern.
- Comments should be limited to three (3) minutes unless prior approval by the presiding officer.
- If a representative is elected to speak for a group, the presiding officer may approve an increased time allotment.
- If a response from the Council or Board is requested by the speaker and cannot be made verbally at the Council or Board meeting, the speaker's concerns should be addressed in writing within two weeks.
- Personal attacks made publicly toward any citizen, council member, or town employees are not allowed. Citizens are encouraged to bring their complaints regarding employee performance through the supervisory chain of command. Any member of the public interrupting Town Council proceedings, approaching the dais without permission, otherwise creating a disturbance, or failing to abide by these rules of procedure in addressing Town Council, shall be deemed to have disrupted a public meeting and, at the direction of the presiding officer, shall be removed from the meeting room by Police Department personnel or other agent designated by Town Council or Town Manager.
